

Magic of the Mind Breakthrough Seminar
Discover compelling techniques to become the Master Creator of
your Success NOW!

with

Award Winning Author and Communication Pioneer

Yvonne Oswald PhD(c)

This new and pioneering seminar is the fast track to an outstanding future. Why is it so important for us to understand ourselves and be aware of our thought processes? *Because we create our world with our words.* Your self-talk produces 100% of the results in your life. You set up an attraction pattern with your thoughts - a magnetic force field of energies searching for other, similar energies. The great news is that your own mind has treasure for you beyond your wildest dreams; it's the hotline to amazing riches, abundance, health and happiness.

You will learn:

- How to switch your inner dialogue to the set point for success
- To access and harness the power of your subconscious mind; the best search engine in the world
- 5 easy steps to be in control of the successful outcomes in your life
- Yvonne's own pioneering technique to clear negative emotions and limiting beliefs in less than a minute!
- How to stay motivated, optimistic and energized even on slow days
- To attract in clients, money and great relationships like magic.

Step to the front of the line as you join us for this exciting and powerful course that answers questions you didn't even know you had to ask! Once the clouds are cleared away, you can access and design your own blueprint for success. Take your place in the sun and learn to design your life intentionally NOW.

Be present to life, because life is a present.
